Below is a summary of information regarding our upcoming pilot testing in preparation for the upgrade.

1. We will not require certification.
2. For testing purposes and questions regarding testing, contact: **POSTechSupport@ghsinc.com**
3. Updated Payer Sheet is available on the www.iowamedicaidpos.com website on the Provider Information page.
4. Test Cases will be available August 7, 2013.
5. You will be testing with your current NPI, which should be on file with GHS.
6. We will provide a test BIN to use for testing each applicable plan.

8. Information regarding pilot testing will be posted at <http://www.ghsinc.com/payer-sheets>. Please check back often for updates.
9. We will be sending out future notices regarding the IAPOS v6.0 upgrade via fax blast as well as posting to the above websites. Once you are registered to participate in pilot testing, you will be contacted directly from our implementation team with test information to use.
